

# MOMMEHÅL 1

## Directions

The area is close to Västervik Airport. “Mommehålstenen” is located by the E22 a kilometer north from the exit leading to Mommehål (and the airport). If you are arriving from south on E22 pass the exit to Västervik center and drive 2 km and you are passing the advertising sign, on the left side “Båken”. You can't turn left because the wire protection in the middle of the road. Continue 3 km and make an u-turn at Vårdshuset Hjorten. Drive approximately 3 km and park at a small parking lot that leads to the boulder. Walk the gravel road 100 m and then follow the enduro track for about 300 m. The boulder is very visible on your left side.

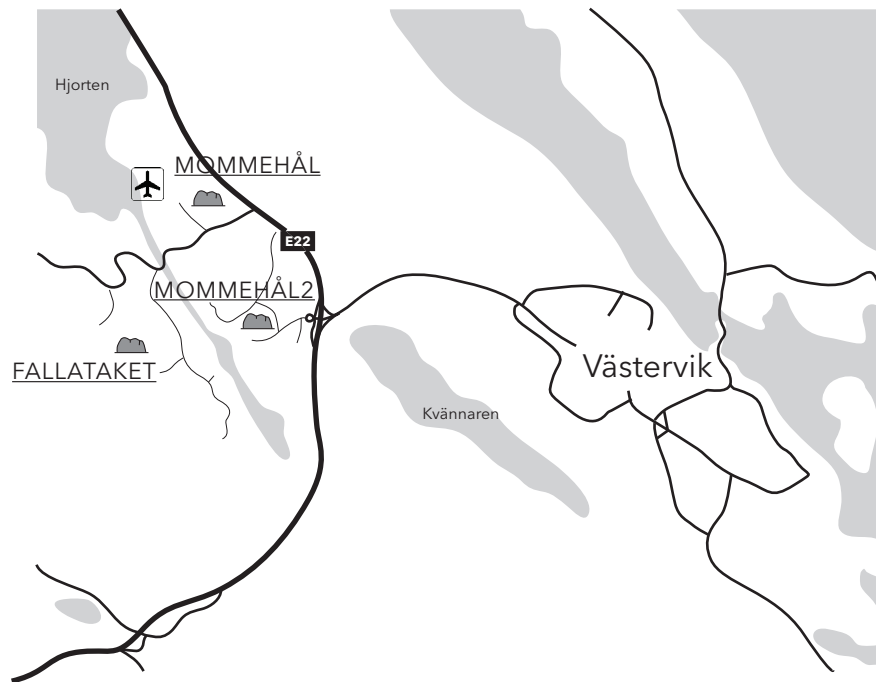

## Coordinates

To the “mommehålstenen” parking lot:  
16°31'56”O, 57°46'58”N

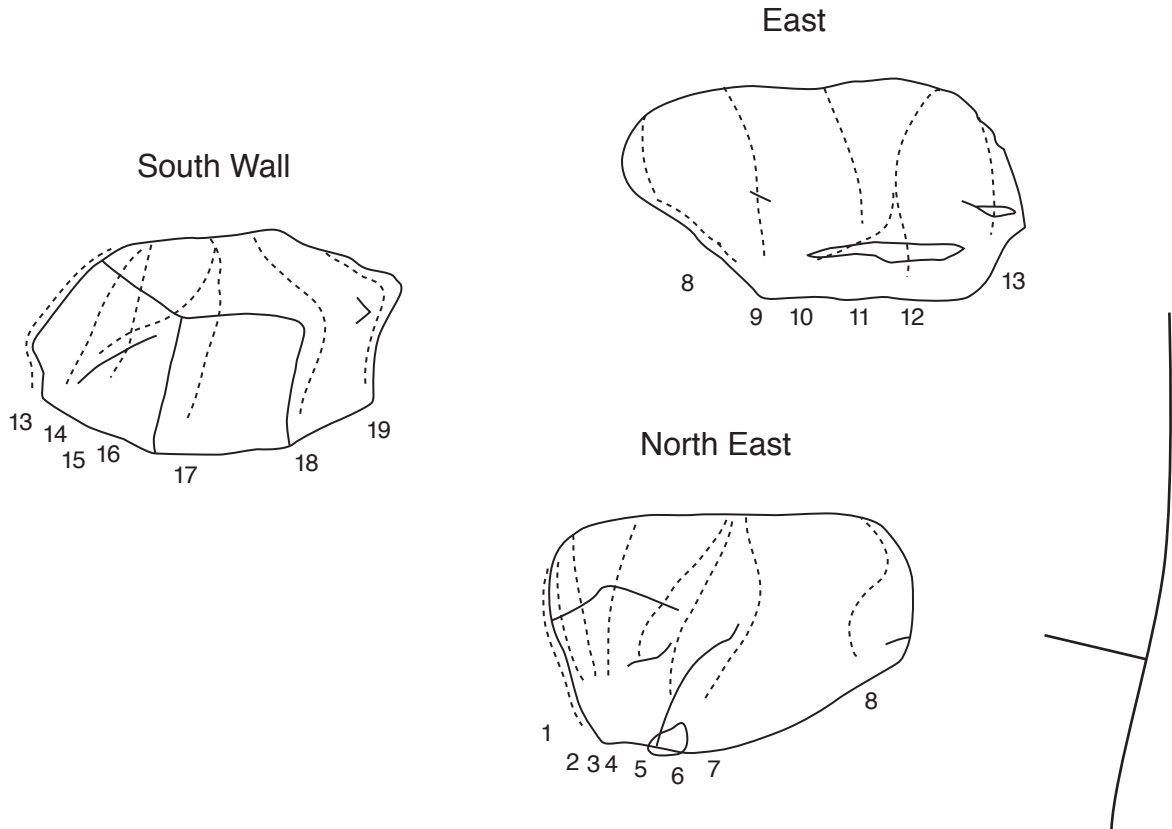

## Characteristics

Mommehålstenen is a big boulder on which you can find the first 8A route created in Västervik, among others. It is located in a planted spruce forest, close to an enduro track.
